

How to submit your doctoral thesis:

Go to <https://brage.bibsys.no/xmlui/handle/11250/92927?locale-attribute=en> and log in using your NMBU username and password (FEIDE).

Choose your [Sub-Archive](#) (= your faculty)

Choose collection [Doctoral theses](#)

Click on [Submit a new item to this collection](#)

NB! All fields NOT mentioned in this guide should be left empty!

Describe Item (1):

Authors: your name

Advisor: your supervisors name, if more than one: click the ADD-button between names

Title: enter the title of your thesis. If you have a translated title: use **Other Titles**

Subtitle is part of Main title, separate with :

Date of Issue: enter Year (mandatory. Skip Month and Day)

Publisher: Norwegian University of Life Sciences, Ås

Series Name: PhD Thesis

Report or paper No.: your Thesis number, format: 201x:xx

Project: use if relevant

Identifiers: enter ISSN and ISBN separated with the ADD-button

Type: choose Doctoral thesis

Language: choose the main language used in your thesis

Click [NEXT](#)

Describe Item (2):

Keywords: enter your own keywords separated with the ADD-button

Abstract: copy/paste the abstract from your thesis. If multiple languages: separates with the ADD-button. This field may be edited with lineshift (Enter)

Sponsors: use only if relevant

Geographical area: use only if relevant (geographical area as subject for your thesis, not your location)

Click [NEXT](#)

Access Settings:

If your thesis can't be published in Brage immediately after the defense (embargo), you must enter the date for its publication here.

Click [NEXT](#)

Upload File(s):

Choose file: Your thesis should be uploaded as one file as printed, errata may be uploaded separately. Do **not** register embargo on the file(s) as the embargo set on the previous page is enough.

Click «[Upload file & add another](#)»

[License Your Work:](#)

The default CC-license for items in Brage NMBU is [CC-BY-NC-ND](#)

To apply this license to your work, choose Creative Commons and answer NO to both options

If you wish to use a more open license, you must register your preferred license here. You'll find more information about the different options by choosing different combinations of «yes» and «no» and holding (not clicking!) your mouse pointer over the «i» at the end of each question.

For more information about Creative Commons licensing: go to <https://creativecommons.org/>

Click [NEXT](#)

[Distribution License:](#)

This is the standard distribution license between you as author and NMBU, and must be accepted before you click on [Complete submission](#).

Your submission is now completed, and you will receive a receipt on your NMBU email. This must be printed and delivered with the printed copies of your thesis.
