

CURRICULUM VITAE

DARLEY JOSE KJOSAVIK

Name: Darley Jose Kjosavik
Gender: Female
Date of Birth: 10.05.1959

Address:

Department of International Environment and Development Studies, Norwegian University of Life Sciences (NMBU), P.O. Box 5003, 1432 Ås, Norway.

Tel: + 47 6723 1334, +47 91368752

E-mail: darley.kjosavik@nmbu.no

Present position:

Associate Professor, Department of International Environment and Development Studies (Noragric), Norwegian University of Life Sciences (NMBU)

Main expertise and research interests:

Political economy of environment and development, development of marginalised social groups such as the working class, indigenous peoples and forest dwellers, oppressed castes; gender and development, conflict and development, post-war resettlement, reintegration and livelihood revival, social movements, climate change vulnerability, adaptation, and mitigation, REDD+, biofuel production and its socio-economic and environmental impacts, policy analysis, land rights, sustainable development, equity and social justice.

Teaching interests:

Development Classics, development theory and policy, gender and development, gender and land rights, gender and human rights, Climate change debates, conflict and development, Property rights, Research methods, Political economy of development, globalization and development, sustainable development and green development, social-ecological systems analysis.

Academic degrees:

PhD (Development Studies), 2005, Department of International Environment and Development Studies, Norwegian University of Life Sciences, Ås.

Thesis title: In the Intersection of Class and Indigeneity: Political Economy of Development of Indigenous People of Kerala, India

M.Phil. (Applied Economics) Course Work, 1997-98, Centre for Development Studies, (JNU) Trivandrum, Kerala, India

M.Sc. (Natural Resource Management), 1991, Department of International Environment and Development Studies, Norwegian University of Life Sciences, Ås, Norway

M.Sc. (Horticulture), 1984, Tamil Nadu Agricultural University, Coimbatore, India

B.Sc. (Horticulture), 1982, Kerala Agricultural University, India

Positions held:

Associate Professor, Department of International Environment and Development Studies, (Noragric), September 2008 – current.

Assistant Professor, Department of International Environment and Development Studies, (Noragric), August 2007-September 2008.

Senior Researcher, Norwegian Institute for Urban and Regional Research (NIBR), August 2006-August 2007 (Permanent position, but resigned to accept the above Position as Assistant Professor at Noragric).

Associate Professor, Department of International Environment and Development Studies (Noragric), Norwegian University of Life Sciences, January 2006 - July 2006 (temporary position).

PhD Research Fellow, Department of International Environment and Development Studies (Noragric), Norwegian University of Life Sciences, 2001-2005.

Assistant Professor, Kerala Agricultural University, India, 1987-2000.

Agricultural Extension Officer, Department of Agriculture, Government of Kerala, India. 1984-1987.

General Positions (current):

- Board member: Department of International Environment and Development Studies
- Board member: Norwegian Association for Development Research (NFU)
- Executive Committee member: European Association for Development Research and Training Institutes (EADI)

Countries/geographic areas of professional engagement:

Have carried out funded research and/or consultancy assignments in the following countries:

Africa: Sudan/South Sudan, Ethiopia; Ghana; Democratic Republic of Congo (DRC), Tanzania

Asia: India (different regions), Sri Lanka (different regions)

Latin America: Brazil (different regions)

Awards/Prizes

1. **NFU Prize 2005.** I was awarded the NFU Prize 2005 for the best research article in Development Studies research awarded to upcoming researchers by the Norwegian Association for Development Research.
2. KRPLLD (Kerala Research programme on Local Level Development) Fellowship 1999-2000.
3. ICSSR (Indian Council of Social Science Research) Fellowship 1996-1998
4. NORAD Fellowship 1989-1991
4. **Professor U. Narasimha Rao Prize for Horticulture** for obtaining First Rank in M.Sc. (Horticulture) from Tamil Nadu Agricultural University, Coimbatore, India.
5. ICAR (Indian Council Of Agricultural Research) Junior Fellowship 1982-1984

Research Project involvements:

1. Climate change, uncertainty and transformation; funded by Norwegian Research Council. (project participant as researcher) (ongoing)
2. Man and Forests: an evaluation of management strategies for reduced deforestation and forest degradation (REDD+); funded by Norwegian Research Council. (project participant as researcher) (ongoing)
3. Environment and Development in India; funded by SIU (Norwegian Centre for International cooperation in Education) (project leader) (ongoing)
4. Democratic and Economic Governance and Peacebuilding in South Sudan and Ethiopia. NORHED (Norwegian Cooperation in Higher Education) project funded by NORAD. (project leader) (ongoing)
5. EU Horizon 2020 project on Community-Based Policing and Post-Conflict Police Reform (a multi-country study where I am the leader of the South Sudan component of the study) (ongoing)
6. Core Institutional Support for Ashoka Trust for Research in Ecology and Environment, Bangalore, India; funded by the Royal Norwegian Embassy, New Delhi. (a team member) (ongoing)
7. Gender and climate change nexus: Vulnerability and adaptation of pastoralist women to climate change, the case of Borana, Southern Ethiopia (NoRPIC, NORAD) (ongoing)
8. Poverty and Governance in post-1991 Ethiopia: A Political Economic Study (NoRPIC, Norad) (ongoing)
9. Post-war reconstruction, resettlement and livelihood revival in Southern Sudan (funded by Norwegian Universities Cooperation, NUCOOP) (concluded)
10. REDD+ Architecture in Tanzania: Assessment of REDD options for livelihood security and sustainable development (NORAD-CCIAM) (a team member) (concluded)
11. United Nations and War Economies (MFA) in the Horn of Africa: A study of South Sudan, Somalia and Yemen (involved in the South Sudan part of the study) (concluded)

12. Land conflicts in the context of resettlement and reintegration of Returnees and IDPs in Southern Sudan with special focus on gender issues (NUCOOP). (concluded)
13. Learning from REDD+: A Global Comparative Analysis (NORAD_IIED) as team member responsible for the Ghana component of the study), (concluded)
14. Public Works Programmes: Prospects for climate change mitigation and adaptation in combination with sustainable development - A case study of the MGNREGA (Mahatma Gandhi National Rural Employment Guarantee Act), India (NMBU), as PhD supervisor (concluded)
15. Involved in the Noragric-ISA (Institute of Socio-Ambiental Brazil) institutional collaboration project and did an exploratory study of the Political economy of agricultural expansion and deforestation in Mato Grosso, Brazil. (concluded)
16. Human-wildlife interactions outside protected areas in Karnataka, India (ATREE-Noragric institutional collaboration project, PhD project supervisor). (concluded)
17. Impact of the new Forest Law of India (Forest Rights Act 2006) on indigenous peoples' access to land and forest resources in Wayanad, India (Noragric-ATREE collaboration). (concluded)
18. 'Linking global with the local: enabling participatory climate risk management for biodiversity conservation and livelihood security in the western ghat region in South India'(Noragric-Atree collaboration). (concluded)
19. Climate Change perceptions, impacts, vulnerability and adaptation among the Bhil indigenous people in the semi-arid areas of Rajasthan, India (Noragric-Seva Mandir Institutional collaboration project under development).

Research project involvements while working with the Norwegian Institute for Urban and Regional Development (NIBR):

- Institutional challenges in environmental governance in Tanzania –as team member of a desk study (NORAD)
- The ILO Convention 169- Status and impacts on indigenous peoples in Nepal (NORAD)
- Governance Institutions Network International – Research and training to contribute to governance reform in Pakistan (Royal Norwegian Embassy, Islamabad) (I was involved in the desk study part)
- Observer at the UN Permanent Forum on Indigenous Issues in 2007, where the focal theme was 'Indigenous Territories, Resources and Rights'. A Report on the Conference was submitted to NIBR highlighting the issues of indigenous peoples' rights to land and natural resources.

Research and Knowledge dissemination

I have published several popular articles related to the field of agricultural development, biodiversity, environment and development studies including Trade Related Intellectual

Property Rights (TRIPS) and its consequences for farmers' seed security, in Malayalam language publications in Kerala including academic journals, popular journals, newspapers and so on.

I have also participated in various popular/ public meetings, seminars, conferences etc. related to the above fields and delivered lectures/ speeches, participated in discussions and deliberations.

I was the editor of NFU Nytt (The Newsletter of the Norwegian Association of Development Research) from 2004 to 2006. I wrote the following editorials.

Kjosavik, Darley Jose 2006. Dialectics of Capitalism, Slavery and Development, NFU Nytt 1-2006, pp. 4-5.

Kjosavik, Darley Jose 2004. Education: Human Capital, Human Development or Gift Exchange?, NFU Nytt 2-04, pp. 5-7.

Kjosavik, Darley Jose 2004. Counting more than numbers, NFU Nytt 1-04, pp. 5-6.

Pedagogical/Teaching Experience

I have been continuously contributing to teaching at this Department since 2001. I have taught at all levels – PhD, Master and Bachelor levels.

Selected courses taught

Masters Programme in Management of Natural Resources.

Friday Seminar

Management of Natural Resources and Environment (MANREN)

Masters Programme in International Development Studies

- *Environment-Development relations* (a block in the course Development Theory and Policy and few other topics in the course such as Modernisation theory, Dependency theory, World system theory, Theories of social justice, Kerala model of development, sustainable development and green development, a session on debating development and so on)
- *Development Classics* (I developed this course in 2003 and it has been taught by me since then. The course has been a core course for the Master (IDS) for the last several years. This course has got consistently good evaluations over the years.
- *Research Methods in Environment and Development Studies-I and II* (I was responsible for developing and teaching these courses – one at the Bachelor level and two at the Master level. The courses included both qualitative and quantitative methods, research

ethics, ontology, epistemology and linkages with methods, and exercises in developing research proposals and so on.

Bachelor Programme in International Environment and Development Studies

- *Academic programme leader* of Bachelor for two years.
- *Development Seminar* (a seminar course)
- *Cultural Anthropology* (taught part of the course)
- *Sociology* (taught part of the course)

PhD Programme in Environment and Development Studies (lecture topics)

- Development and social justice, Kerala Model of Development
- Climate Change vulnerability, adaptation and development
- Book presentation and discussion of David Harvey's *Seventeen Contradictions of Capitalism*

Other selected topics I have lectured on for various courses include:

Gender and development, Globalisation and development, gender and globalisation, gender and land rights, gender and human rights, conflict and gender, land reforms, decentralisation and development and so on.

Field Courses: I developed two Field courses in India for the students at this Department

(1) *Understanding Rural Development India*: For the Bachelor students.

The course is offered in cooperation with the NGO Sewa Mandir based in Udaipur, Rajasthan. I ran this course for four years, and is now handed over to a colleague.

(2) *State and Civil Society in Development and Environmental Governance in India*:

For the Masters students. The course is offered in co-operation with the Institute of Development Studies, Jaipur, Rajasthan (IDSJ), Centre for Development Studies (CDS), Trivandrum, Kerala and ATREE (CERC), Alappuzha, Kerala. I have been running this course for the past six years and this will be the seventh year.

The field courses have been popular with the students as they combine both theory and field based studies.

Other pedagogical activities

PhD programme in Development Studies at Hawassa University, Ethiopia

- Recently as part of the NORHED (Norwegian Cooperation for Higher Education) project ‘Democratic Governance and Peace Building in South Sudan and Ethiopia’, I have been instrumental in developing a PhD programme in Development Studies at Hawassa University, Ethiopia’
- I was also involved in developing two Master programmes in Hawassa University and in the process of developing a Master programme at the University of Juba, South Sudan. (NORHED project)
- I am also engaged in lecturing in these universities on topics such as Global Political Economy, Gender and conflict, gender and peacebuilding, Research methods as part of the capacity building component of the NORHED project.

Supervision of PhD, Masters and Bachelor students

PhD Theses completed and defended

1. Intimate beasts: Exploring Relationships Between Humans and Large Carnivores in Western India (2013) (main Supervisor)
2. Development in a Changing Climate: Local Impacts of India’s National Rural Employment Guarantee Act in Attappady, Kerala (2015) (Main Supervisor)
3. Mining, Displacement and Conflict in Maoist India (2014) (co-supervisor)
4. Conflict, Livelihoods and Local Perspectives of Peace Building in Post 9/11 North-Western Pakistan (2013) (co-supervisor)

PhD Supervision – ongoing

1. Poverty and Governance in post-1991 Ethiopia: A Political Economic Study (main supervisor)- expected to submit in April 2016.
2. Gender and Climate Change Nexus: Vulnerability and adaptation of pastoralist women to climate change - the case of Borana, southern Ethiopia (main supervisor), expected to submit in June 2017.
3. Assessment of legitimacy of the choice of governance structure for REDD+ at the local level in the Congo Basin Forest of DRC

Master and Bachelor Thesis supervision

I have supervised about 40 Master students and about 10 Bachelor in topics

Participation in PhD Examination Committees

External Opponent for one PhD thesis, Copenhagen University in 2016

Title: Governing Conflicted Commons: Authorising Resource Access in the Indian Tribal belt

Chair of the PhD Exam Committee for two PhD Theses, Department of International Environment and Development (Noragric) as below:

- (1) Changing seascapes: Local Adaptation processes in the Belizean Fishing Communities (2015)
- (2) Development in Crisis: Livelihoods and Social Complexities in Swat, Khyber Pakhtunkhwa, Pakistan (2015)

Participation in Master Thesis Examination Committees

I have been in about 15 Master thesis exam committees from University of Oslo and University of Agder, Norway.

Management and Leadership Experience

I have extensive experience in academic management/administration.

- (1) Programme leader for Bachelor in International Environment and Development Studies for two years
- (2) Member of the Department's Research Committee for four years
- (3) Member of the Education Committee for two years.
- (4) I have been serving as an elected Board member of the Department representing scientific staff for five years. Now I am in the second term as Board member.
- (5) I have served in Scientific committees for recruitment of scientific staff for permanent positions, post-doctoral Fellows and PhD candidates.
- (6) I have been serving as a Deputy member of the Appointment Committee for the last two years.
- (7) I have been called upon to serve as a member of the nomination committee sometimes as a subject expert and at other times to keep the gender balance of the committee.
- (8) Currently I am leading two projects that involve considerable administrative responsibilities and coordination with institutional partners from South Sudan, Ethiopia, and three Indian institutions.

Administrative/management engagements outside the Department

- (1) Have served as NFU (Norwegian Association of Development Research) Board member for four terms (8 years in total) and still continuing
- (2) For the last two years I have been serving as the EADI (European Association for Development Research and Training Institutes) Executive Committee member representing Norway and is still continuing as an Ex.Co. member.

Membership in Professional Associations

- Norwegian Association of Development Research (NFU)
- European Association for Development Research and Training Institutes (EADI)
- European Association for South Asian Studies (EASAS)
- Australian Association for South Asian Studies (AASAS)
- International Association for the Study of Commons (IASC)
- Member of Centre for Land Tenure Studies at NMBU
- Founder Member of Kerala Association of Women's Studies and Action

External referee for scientific journals and book manuscripts

Have been reviewing manuscripts for the following Journals

Climate and Development

Forum for Development Studies

Human Ecology

Society and Natural Resources

Book manuscript: Reviewed a book manuscript for Routledge, London.
