

**Dear ERASMUS partner,**

With this letter we would like

- to let you know the application deadlines and procedures;
- to remind you and the students of the restrictions regarding the choice of Bachelor and Master courses;
- to let you know about our language requirements
- to inform the students how to find courses and thus make it easier to fill in the learning agreement.

### **Application deadlines and procedures**

For the winter semester: by June 15<sup>th</sup>

For the summer semester: by January 15<sup>th</sup>

Information concerning the application procedure can be found at ( <https://www.verwaltung.uni-freiburg.de/move/moveonline/incoming/welcome.php> ).

#### **Reminder:**

Please remember that Bachelor students can choose only courses from our Bachelor programmes and have no access to the courses of our Master programmes. Exception: If students are enrolled in a 4/5-year Bachelor/undergraduate programme and do their Erasmus exchange in their 4<sup>th</sup> year, they are allowed to take Master courses.

### **Language requirements**

All our Bachelor programmes are taught in German and a minimum level of B2 is required. In our Master programmes we have German and English taught modules. Depending on the choice of modules Erasmus students have to submit a language proof in German or/and English with minimum B2 level. Our regular Master students have to prove a C1 level. We therefore recommend to be strict with language proofs. Our master courses are organised as a sequence of 3 weeks blocks with exams at the end of each block. This implies that students cannot develop their language skills throughout the semester, but have to be able to understand and to communicate right from the beginning.

### **How to find the courses?**

To fill in the Learning Agreement students can check the course catalogues from last year. Please be aware that the course catalogue is subject of slight changes and students might have to change their Learning Agreements once arrived here in Freiburg.

The catalogues for winter semester 2016 will be updated only in August/September.

## **BACHELOR COURSES**

### **BSc Waldwirtschaft und Umwelt (only German courses)**

- Overview of subjects and modules <http://www.unr.uni-freiburg.de/studium-lehren/bachelor/wum>
- More detailed module descriptions <http://www.unr.uni-freiburg.de/Div/pdf/mh>
- Course catalogue from WS 2015/16 and SS16 can be found on our online "Vorlesungsverzeichnis" [https://campus.uni-freiburg.de/qisserver/pages/cm/exa/coursecatalog/showCourseCatalog.xhtml?\\_flowId=showCourseCatalog-flow&\\_flowExecutionKey=e3s1](https://campus.uni-freiburg.de/qisserver/pages/cm/exa/coursecatalog/showCourseCatalog.xhtml?_flowId=showCourseCatalog-flow&_flowExecutionKey=e3s1)

### **BSc Umweltnaturwissenschaften (only German courses)**

- Overview of subjects and modules [http://www.unr.uni-freiburg.de/studium-lehren/bachelor/umwelt/index.html-en?set\\_language=en](http://www.unr.uni-freiburg.de/studium-lehren/bachelor/umwelt/index.html-en?set_language=en)
- More detailed module descriptions <http://www.unr.uni-freiburg.de/Div/pdf/mh>
- Course catalogue from WS 2015/16 and SS16 can be found on our online "Vorlesungsverzeichnis" [https://campus.uni-freiburg.de/qisserver/pages/cm/exa/coursecatalog/showCourseCatalog.xhtml?\\_flowId=showCourseCatalog-flow&\\_flowExecutionKey=e3s1](https://campus.uni-freiburg.de/qisserver/pages/cm/exa/coursecatalog/showCourseCatalog.xhtml?_flowId=showCourseCatalog-flow&_flowExecutionKey=e3s1)

## **MASTER COURSES**

### **MSc Forest Sciences/ Forstwissenschaften (German and English)**

- Overview of subjects and modules <https://www.msc-forst.uni-freiburg.de/studienablauf/studieren>
- Overview of Modules and more detailed descriptions for reference semesters WS 2015/16 and SS16 <https://www.msc-forst.uni-freiburg.de/modulhandbuecher>

### **MSc Environmental Sciences/ Umweltwissenschaften (German and English)**

- Overview of subjects and modules [http://www.msc-umwelt.uni-freiburg.de/studienablauf-en/curric%20M.Sc.%20Environ?set\\_language=en](http://www.msc-umwelt.uni-freiburg.de/studienablauf-en/curric%20M.Sc.%20Environ?set_language=en)
- More detailed module descriptions [http://www.msc-umwelt.uni-freiburg.de/modulhandbuecher\\_guides](http://www.msc-umwelt.uni-freiburg.de/modulhandbuecher_guides)

We hope that our information is helpful for you and look forward to welcoming your students at our faculty. If you have any further question please don't hesitate to contact us.

Best regards,
