2. Academic Credit

GSP students earn University of California academic credit for all campus classes. UC credit is awarded on a quarter “unit” basis, generally considered equivalent to 67% of a US college semester credit.

In general students carry a minimum of 12 units and a maximum of 13 units of approved UC Davis credit courses. However, due to our special partnership, UC Davis will allow students from your institution to take up to 17 units per quarter at no additional fee (a cost savings of \$340 per unit).

¹ Details subject to change. Partner universities will be notified in writing prior to the implementation of program changes.

3. Program Benefits

Global Study Program students are eligible for all UC Davis undergraduate student services, including, but not limited to:

- Pre-arrival course registration in nearly all UC Davis departments
- Internship placement through the Internship and Career Center
- Independent research with professors
- 24/7 access to the library and study rooms
- Use of the state-of-the-art Activities and Recreation Center
- Participation in student sports, clubs, and activities

4. Admission Criteria

- Recommendation of the home university
- A grade point average (GPA) equivalent to a 3.0 on a 4.0 grade scale (high C average).
- Demonstrated advanced-level English proficiency (TOEFL not required)

5. Pricing

The tuition and fees payment amounts represent tuition and campus student fees per student.

Custom Discounts

- 1) The Fall and Spring Semester prices reflect an additional custom discount of \$500
- 2) The Winter Semester price reflects a custom discount of \$3655
- 3) Students will not be charged for additional units up to 17 units per quarter.
(\$340 per additional unit x 4 additional units = \$1360 total savings)

Campus recreation and activities	Optional sports activities, craft or personal interest classes for \$30-130

****Please note the estimated expenses above do not include travel and excursion expenses throughout the United States. If a student is planning on traveling and vacationing during the course of the program they should budget additional funds.**

7. UC Davis International Student Health Insurance Plan

This comprehensive plan provides access to high-quality, affordable medical services on-and off-campus. Purchasing this plan does not mean that you receive free medical care. It does mean that the cost of your medical care is significantly reduced -- you pay only a portion of your medical costs and the insurance pays a portion of your medical costs. This is also true of virtually all health insurance plans in the United States. Translated versions of the brochure are available in Korean, Japanese, Chinese, French, Portuguese, Spanish and Turkish. For more information, visit: <http://www.renstudent.com/>

Any student who already carries equivalent medical insurance coverage may apply for a waiver instead of purchasing this insurance; such students should be prepared to pay in advance for any medical care and seek reimbursement from their insurer. UC Davis policy requires that they have a minimum total coverage of \$250,000 and the following provisions:

- Medical benefits of at least \$50,000 per accident or illness
- Repatriation of remains in the amount of \$7,500
- Expenses associated with medical evacuation in the amount of \$10,000
- Deductible not to exceed \$500 per accident or illness.

8. Accommodation

We offer two excellent housing options for Global Study Program students: rental apartments or home-stay arrangements. GSP students make their own housing arrangements with guidance from GSP advisors. Housing options include:

- a. **Rental Apartments.** Some students prefer to secure their own accommodations, perhaps through friends or relatives. A housing website popular with UC Davis students is www.chl.ucdavis.edu
- b. **Homestay with a Local Family.** Our Center for International Education (CIE) Housing office helps individual students with a variety of housing options, including homestay, apartments and dormitories (summers only). If you would like more information or assistance in finding a homestay, please contact us at ciehousing@ucdavis.edu.

At present on-campus dormitories are not available.

9. Student Conduct

- a. All Global Study Program students are required to adhere to UC Davis and UC Davis Extension academic and behavior standards as outlined in the Global Study Program Arrival Handbook. UC Davis Extension reserves the right to dismiss any student from the program who fails to meet the University of California academic, attendance, or behavioral standards.
- b. Students are required to maintain a minimum grade point average of 2.0 at all times and will be asked to meet with a Global Study Program advisor to discuss any failed class or other unfavorable report from an instructor. Global Study Program advisors will closely monitor participating students, their academic and personal progress and will consult with the home university on issues of serious concern. Students who receive failing grades for multiple quarters will be subject to dismissal.

10. Transcripts and Certificates of Completion

Students receive two final transcripts (one official copy is sent directly to the home university) approximately 2 months following the conclusion of their study abroad at UC Davis. Students may also receive a certificate of completion after the successful conclusion of their studies.
