English: sv.hotels.com/ho475919/ok-hotell-umea-sverige/?rffrid=sem.hcom.SE.google.003.00.04.s.kwrd=ZzZz.sa3NlnndS.0.75635419119.1020w9o38457.d.c&gclid=CI7t0_-qt88CFeFJcgodP1wKlw

Ok hotel located in a quiet residential area a 10-minute walk from Umeå city center with its rich variety of restaurants, pubs and culture. It takes no more than 10 minutes by car or half an hour by public transport to IKEA and Avions shopping center. The hotel has 43 rooms with cable TV, telephone and shower. All rooms are non-smoking. Monday to Thursday included a nice evening snack in the room rate. Many guests choose to relax in Umeå's largest green space, Gammlia, which begins 200 meters from the hotel. There you can choose between walks, mile-long fine jogging track, tennis courts, sports halls, museum and cafe.

Prices per night

Double room: 880 SEK (440 SEK per person)

Single room: 600 SEK

SLU S Umeå <http://www.slu.se/en/about-slu/locations/slu-umea/>

SLU in Umeå is located close to the campus of Umeå University. The activities in SLU Umeå are mainly related to departments of the Faculty of Forest Sciences.

USPC <https://www.upsc.se>

Umeå Plant Science Centre (UPSC) was formed in 1999 when the Department of Plant Physiology at Umeå University and the Department of Forest Genetics and Plant Physiology at SLU joined to create a strong common research environment.
