#### 110 **Purpose:**

111 Elect 4 delegates and deputy delegates who will represent NMBU at the annual meeting  
112 for the Norwegian Student Organisation (NSO) 24<sup>st</sup> – 26<sup>th</sup> of March 2017.

**Background:**

In the document "Framework for the working year" the Student Parliament elects the delegates to the National Assembly for the Norwegian Student Organization at the Student Parliament 1. Due to an early deadline, 10<sup>th</sup> of February, the Student Parliament doesn't have the chance to elect the delegates within the deadline since the first Student Parliament is on the 13<sup>th</sup> of February 2017. In order for the delegates to have a voting right at the National Assembly the deadline must be met.

Previously NMBU has had 5 delegates with deputies at the National Assembly. The National Assembly in 2016 adopted a new delegate allocation for member teams to Norwegian Student Organization (NSO). The new delegate allocation was not made known for the member teams until after the Student Parliament 7 at NMBU, and is the reason to why the Student Parliament has not chosen delegates until now. This year NMBU received 4 delegates. Therefore, there is going to be held an Extraordinary Student Parliament on the 6<sup>th</sup> of February 2017 in order to elect the delegates.

Norwegian Student Organisation will have their National Assembly 24<sup>st</sup> – 26<sup>th</sup> of march 2017. At the meeting you have the opportunity to engage yourself in the national student movement, and participate in working for the interests of 230 000 students at a national level. The National Assembly is the highest organ of the Norwegian Student organisation (NSO). Here, the biggest and most important decisions will be made. The agenda consists of action plans, accounting, budgets, rapports, orientations, electing the new Student Board, Central Board, new committee member etc. The National Assembly is an annual event with representatives from all members of NSO. The National Assembly is a huge meeting with 350 delegates.

In addition to attending the National Assembly, it is expected that the delegates attend 1 pre-meeting in Ås to prepare for the Assembly. The cost for travel and housing will be covered by the University.
