

Nordic Conference on Reindeer Husbandry Research Jukkasjärvi (Kiruna), Sweden, 29-31 May 2017

Hosted by NJF - the Nordic Association of Agricultural Scientists (Reindeer section) and
the Nordic Centre of Excellence ReiGN - *Reindeer husbandry in a Globalizing North -
resilience, adaptations and pathways for actions*

from Monday 29 May 12:30 until Wednesday 31 May (at lunchtime)

Deadline for registration and submission of abstract: **15 March 2017**

Conference fee: 2700 SEK / Students and NJF members*: 2200 SEK

The conference fee includes dinner on Monday and lunch and conference dinner on Tuesday. For those attending only part of the conference a reduced fee at 1000 SEK is offered. The reduced fee does not include any meals.

*To become a NJF member go to <http://njf.is/about-us/> and select your country (the yearly fee is 300 SEK/NOK in Sweden and Norway, 25 EUR in Finland).

Accommodation: The conference has a number of pre-booked hotel rooms (single/double) and cabins (2-4 persons). If the reserved rooms/cabins are already fully booked when you do your registration, you may contact the Ice Hotel directly for reservation. See: www.icehotel.com

Register at: https://dinkurs.se/appliance/?event_id=43739

Find updated information at: www.slu.se/NCRH

Abstracts (maximum 2500 characters including spacing) should be sent by mail to birgitta.ahman@slu.se. Indicate session (see preliminary program, next page), if you prefer oral or poster presentation, and presenter if not first author.
