

Society of Doctoral Students and Post-Docs at NMBU

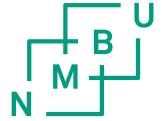

What is SoDoC?

- SoDoC is a free, non-political and non-religious interest organization for Ph.D. candidates receiving doctoral education (and Post-Docs) at the Norwegian University of Life Sciences (NMBU) on the campuses of Ås and Adamstuen.

... and who is a member?

- **YOU NEED TO REGISTER!**
- Any registered PhD candidate at NMBU can be a member

Why be part?

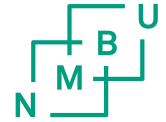

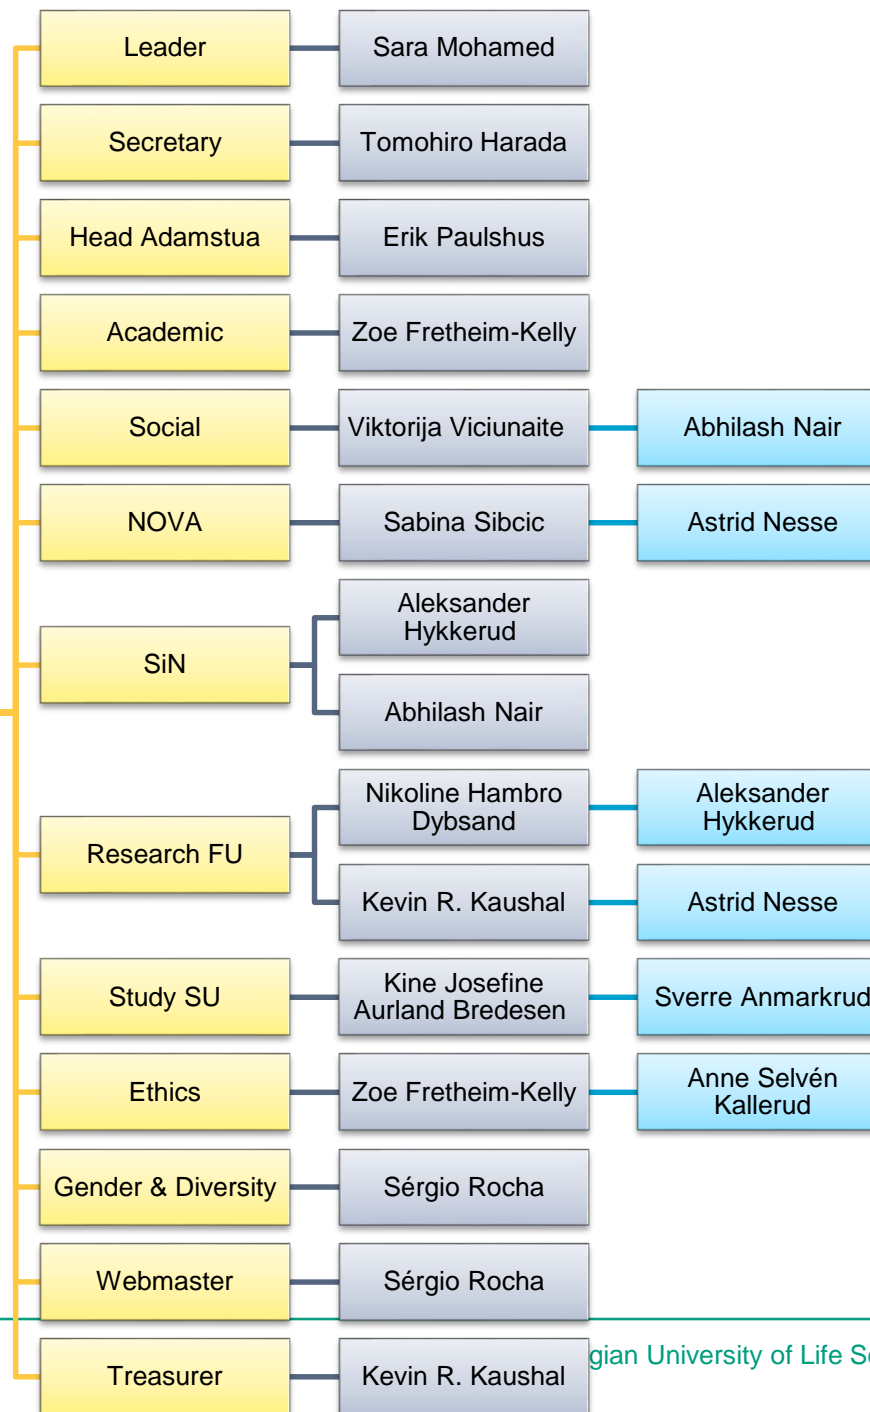

- **PhD community at NMBU needs US to stay active and reactive!**
- **Engage** in changing and shaping conditions for PhDs at NMBU
- **Build** a social network with other PhD candidates
- **Opportunity** to get valuable working experience and insights in university administration
- Mediators between PhD community and administration are extremely necessary (and wanted)

SoDoC

Society of Doctoral Candidates at NMBU (SoDoC) is a free and nonpolitical interest organization for PhD students receiving doctoral education at the Norwegian University of Life Sciences.

By Redaksjonen

SoDoC was established on February 1st, 2016 when the Phd student organizations at Campus Ås, FODOS (founded Feb 26th, 2003), and at Campus Adamstua, DIOV, merged.

The purpose of SoDoC is to secure the interests of PhD candidates at NMBU. The organization handles issues of common interest to doctoral candidates as a group.

The Society primarily focuses on:

- Study conditions and professional interests
- Economic interests
- Social benefits
