

# Library introduction

(PhD-students only)

**When:** Wednesday, March 13th, 12:30 -14:00  
**Where:** Main Library, Tower Building (Campus Ås)

The NMBU University Library wishes to invite you to an informal introduction to the services and resources we offer. We aim especially at providing information to those new to NMBU, but every PhD-student is welcome – even if you already know all there is to know.

Topics that will be covered include (but are not limited to):

- Oria, the library search engine
- Borrowing/Ordering
- Electronic resources
- BRAGE (NMBU's open research archive)

Coffee, tea and cookies will be available from 12:15, so feel free to drop by a little early.

Hope to see you there!

PS: If you have any questions you wish to have answered beforehand, or suggestions for topics, please contact me at: [linnholv@nmbu.no](mailto:linnholv@nmbu.no)

Best regards,

Linn Benjaminsen Hølvold  
Senior Research Librarian
