

Building a Sustainable European Biofuel Industry Conference: Call for abstracts

We welcome submission of abstracts for poster and oral presentations at the [conference](#) from academic, industrial and policy organisations.

Please use the [abstract submission template](#) to ensure you include the following:

- Your proposed presentation title
- Whether you would prefer to give an oral or poster presentation
- Whether you wish your paper to be considered for the special edition of *Biomass and Bioenergy* that will accompany the conference
- Your preferred conference topic (sustainable biomass resources, conversion technologies from biomass to biofuels, biochemical and biomaterial by-products, environmental and social impacts)
- Name, affiliation and full contact details of the person making the presentation
- Names and affiliations of all other authors
- The main text of the abstract should describe the work you will be presenting, the context for its execution, the key areas of novelty and conclusions.

Abstracts should be submitted to supergen-bioenergy@aston.ac.uk as PDF files using minimum 11 point Arial font and can be up to two sides of A4, to include all the information above and any relevant diagrams or photographs.

They will be reviewed by a scientific committee with representatives from the UK, Norway and Sweden. The abstracts will be scored on novelty, relevance and scientific quality, and allocated to sessions accordingly.

The deadline for abstracts is 10 July.
