

Zone managers for MINA's labs

MINA has divided its laboratories into infection zones to facilitate planning and minimize the risk of infection. Each zone has a maximum number of people who can work there at the same time. The zone manager is responsible for planning all activities in his/her zone in dialogue with MINA's HSE manager, Hilde Steinmoen (hilde.steinmoen@nmbu.no / 95295764)

Building	Room	Maximum number	Responsible
Soil science building	Isotope lab	8	Marit Nandrup Pettersen
	J102	2	Pia Frostad
	J105	1	Pia Frostad
	J106	1	Pia Frostad
	J107	1	Trygve Fredriksen
	J108	2	Trygve Fredriksen
	J110	3	Øyvind Enger
	J113	2	Solfrid Lohne
