

Candidate presentation Jeremiah Paul Joseph

Faculty KBM

Born 2000

Hi. My name is Jeremiah Paul Joseph, and I study chemistry and biotechnology second year, and I want to become KBM male representative. I am an outgoing and hard working person, and I believe these are important abilities. I am already Chemistry and Biotechnology representative from year 2019, from 2019 to today's date, and I am also a part of "molekylet" there I have responsibility for their website.
