

Candidate presentation Gustav Halldin

Faculty HH

Born 1997

Dear Fellow Students! My name is Gustav Halldin, I am 22 years old, and I hereby announce my candidature as the deputy student representative in the Faculty Board. I am currently enrolled in my first year of my master's degree in Business Administration and completed my Bachelors in Business administration here at NMBU in June. The last year has been a challenge for all of us, and I want to fight for a better psychosocial environment. During my three years here at NMBU, I have had the opportunity to engage myself in the student democracy, and I have come to know it rather well. As some of you might remember, I ran my candidature as the leader of Arbeidsutvalget this spring. I am currently class representative, I was recently elected as the new leader of NMBU Case Club and I have in the last year been the deputy student rep in the Faculty Board.

I have a desire that others will recognize NMBU as the sustainability-university with students able to solve the challenges of the future. For us to accomplish this, we have to work together with increased student engagement, communication, as well as focusing on continuously improving. If you have any questions regarding my candidature or inquiries about daily life as a student for the coming semesters, do not hesitate to reach out to me – I am always available. Let us together make the coming times as normal as possible. Take care of those around you, and yourself, in these stressful times.

Best regards, Gustav
