The geography of New Working Spaces and the impact on the periphery

COST Action 18214

Newsletter, June-December 2020

Mina Di Marino
Science Communication Manager CA18214

COST is supported by
by the EU Framework Programme Horizon 2020

COST project 18214 'The geography of New Working Spaces and the impact on the periphery' involves now **134 research partners** (MC members, Substitutes and WG members) from **33 Countries**, including

- Israel as COST Near Neighbor Country

COST International Partner Countries, 4 MC Observers (USA, Canada, Lebanon and Brazil):

- Michigan State University's School of Planning, Design and Construction USA
- Cornell University, College of Human Ecology USA
- Lebanese University, Beirut Lebanon
- Université du Québec à Montréal, UQAM, Canada
- Universidade do Estado de Santa Catarina (UDESC) | Santa Catarina State University, Brazil

Welcome to the newest MC Observers, MC members, Substitues and WG members!

CA18214

Cost Action: 4 years, End Date: [30/09/2023](#)

MC Chair: Ilaria Mariotti (Politecnico di Milano, IT)

MC Vice Chair: Pavel Bednar (Thomas Bata University, Zlin, CZ)

Communication Manager : Mina Di Marino (Norwegian University of Life Sciences, NO)

28 COST Members

Albania, Austria, Belgium, Bulgaria, the Czech Republic, Estonia, France, Germany, Greece, Hungary, Ireland, Italy, Malta, Moldova, the Netherlands, North Macedonia, Norway, Poland, Portugal, Romania, Serbia, Slovakia, Spain, Sweden, Switzerland, Turkey, United Kingdom

3+1 Observer country

USA, Canada, Lebanon and Brasil

Picture by Ilaria Mariotti

Funded by the Horizon 2020 Framework programme of the European Union around 120.000€/Y, in total 480.000€ from October 2019 to September 2023.

The budget is confirmed based on the achievement of the deliverables **every six months**.

Due to the Covid-19 pandemic, the second grant period will end next October 2021, instead of April 2021.

This means that the CA18214 will have more time for arranging STSM and ITC grants, as well as developing the next deliverables D.1.3 and D.1.4.

			<p>Leader WG 4 Prof. Bruno Moriset bruno.moriset@univ-lyon3.fr</p>		

Welcome to Eva the new STSM Coordinator!
 Thanks to Carles Mendez-Ortega (former STSM Coordinator) for his work!

Welcome to Anastasia Sinitsyna, new WG2 sub-leader
 Thanks to Stefano Di Vita (previous WG2 sub-leader) for his work!

The aims of the project are:

- i) **Sharing research outcomes on new working spaces:** i) collaborative and creative working spaces (coworking spaces and smart work centres); (ii) makerspaces and other technical spaces (fablabs, open workshops); (iii) other new working spaces (hackerspaces, Living Lab and corporate labs); (iv) informal new working spaces (coffee shops and libraries)
- i) comparing the best practices and direct and indirect impacts (socio-spatial and economic) with a **particular focus on the periphery**
- ii) sharing the policy tools across **the 33 countries**.

Working Group 1 Glossary and Taxonomy

Collection of the state of the art about new working spaces in Europe and outside. The following activities will be carried out: Task 1.1. Definition of the phenomenon; Task 1.2 Definition of the working spaces typologies; Task 1.3 Geographical distribution and location patterns with a specific focus on peripheral areas.

Working Group 2 ATLAS

WG2 develops an “Atlas” of best practices about new working spaces concerning the effects on the new working spaces and workers performance (direct effects), and the urban socio-economic environment (indirect effects). This WP will include the following activities: Task 2.1 Collection of studies, data and practices about the direct effects of new working spaces (direct effects); Task 2.2 Collection of studies, data and practices about the indirect effects on the urban socio-economic environment with a specific focus on peripheral areas.

Working Group 3 Tool Box

Collection of the policy tools that have been implemented at national, regional and local levels, and their effects on new working spaces. This knowledge will allow to develop a tool box containing strengths and weaknesses related to the activation and non activation of policy tools.

Working Group 4 Dissemination

Scientific Dissemination of the main results of the COST action: scientific articles, conference papers, books, book chapters and special issues.

Communication

- Internal communication
- External communication

COST DELIVERABLES – activities June 2020 – December 2020

COST is supported by
by the EU Framework Programme Horizon 2020

2nd COST meeting in Milan, February
12-14, 2020 *Photo Petr Dubovský*

32 COST members attended the 3rd COST Meeting online

First part by Ilaria Mariotti

- Welcome to all, including the new countries participating to the CA18214
- Presentation of the results achieved in the I grant period (till end of April 2020)
- Presentation of the approved budget for the II Grant period (May 2020-aprile2021);
- Calls for the grants (STSM, ITC conference grant, Training schools) and responsibilities. Finding the new STSM Coordinator;
- Discussion about the organisation of the IV MC meeting (and Core Group Meeting, Working Group Meeting, Workshop) that could take place in Utrecht (24-26 March, 2021), the Netherlands;
- Update of the WG groups and new deliverables to develop till end of April 2021. The WG leaders will launch a doodle to fix WG meetings in the next weeks;

Second part by Mina Di Marino

- Activities and achievements related to WG4 dissemination
- Internal and external Communication strategies and achievements

The detailed presentations by Ilaria and Mina are available on Slack – channel '3rd COST Meeting'

3rd COST MEETING CA18214 - news from the meeting

Photo: CA18214

3rd COST MEETING CA18214 - news from the meeting

Many thanks to the COST Members - CA18214 (MC members, Substitutes and WG members) who have attended today the 3rd COST meeting. Here some pictures of our meeting. We discussed about several activities which we have already developed, the ongoing work and new tasks. Hope to see you very soon.

3rd COST MEETING CA18214, September 23 from 1 to 5 p.m.

We are now approaching the 3rd COST Meeting of CA18214, The geography of New Working Spaces and impact on the periphery. After Brussels and Milan, the 3rd COST meeting will be held online, September 23 from 1 p.m. to 5 p.m. The agenda is available in the article. Looking forward to meeting the MC members. The link to Zoom will be circulated very soon.

WG1 GLOSSARY AND TAXONOMY seminar, October 9, 2020

ongoing tasks

Grzegorz Micek (WG1 leader) arranged the seminar and invited the COST members. They discussed on the next tasks and how to collect data.

The WG1 members are now working on

- **D.1.3. Database of structures/typologies of New Working Spaces**
- **D.1.4. Final report** which belong to the tasks of the second grant period.

Dear All, *Database Comparison*. **33 countries are involved in the CA18214, but not all members have filled the database available at https://polimi365-my.sharepoint.com/:f/g/personal/10511031_polimi_it/Eg-vLYOFmHVLikXwQAQiBtQBmxruL8UdJuTK_-RSZk3UVA?e=8DplHP**

Mina Akhavan (WG2 leader) has encouraged every countries to be collaborative and active in filling the database. This work would help to proceed with the tasks of the WG1 and WG2.

Thanks for your answers and collaboration!

We have received few substantial comments on the two deliverables.

It is very important to read and comment them.

This would help all COST members of the CA18214 to understand what are the outcomes of the first grant period and work in synergy for the next tasks D.1.3. Database of structures/typologies and D.1.4. Final report

The Deliverables D.1.1. and D.1.2 are available on Slack – channel ‘feedback deliverables’

The WG1 members have completed **the first two deliverables within the first grant period:**

1) Micek G., Mariotti I., Di Marino M., Akhavan M., Di Vita S., Lange B., Paas T., Sinitsina A., Alfieri L. and Chebotareva M. (2020). **Definition and typologies of the new working spaces Deliverable D 1.1.** Internal working paper. COST Action CA18214: The geography of new working spaces and impact on the periphery (2019-2023).

2) Di Marino M., Mariotti I., Tagliaro C., Fiorentino S. and Di Vita Stefano, (2020). **Defining a template for a structural comparison of international research findings. Deliverable D 1.2.** Internal working paper COST Action CA18214: The geography of new working spaces and impact on the periphery (2019- 2023).

The geography of new working spaces and the impact on the periphery CA18214

Deliverable D 1.1.

Internal working paper

Definition and typologies of the new working spaces

Funded by the Horizon 2020 Framework Programme of the European Union

Funded by the Horizon 2020 Framework Programme of the European Union

Mina Akhavan, WG2 leader, arranged the seminar and invited the COST members to participate.

The WG2 members discussed about

- The ongoing development of a second questionnaire, regarding the impact of Covid.
- Make a final list of the cost country members who are willing to contribute to the data collection related to the questionnaire.
- The workload of D.2.1 (Database of WG2 findings: direct and indirect effects of new workplaces) and deadlines.
- Cost members who have conducted new studies (regarding effects of NWS) can briefly present their (ongoing) work/ results, which will help to make sub-groups for future collaborations members of different countries.
- **The WG2 are working on the deliverable D.2.1 (Database of WG2 findings: direct and indirect effects of new workplaces) within the second grant period.**

Dear All, please submit your abstract '*What happens in your country under the COVID-19 pandemic.* 33 countries are involved in the CA18214, but we have received notes only from 9 countries: Malta, USA, the Czech Republic, Greece, Estonia, Ireland, the Netherlands, Romania and Norway.

We encourage the remaining countries to be collaborative and active. This work would help to proceed with the tasks of the WG2. **Thanks for your collaboration!**

https://polimi365-my.sharepoint.com/:f:/g/personal/10511031_polimi_it/Eg-vLYOFmHVLikXwQAQiBtQBmxruL8UdJuTK-RSZk3UVA?e=8DplHP

Description on the impacts of COVID on working practices and new working spaces in your country

what we know from reading of newspapers, blogs and other social media, as well as national and local measures taken by the governments (at the different level), and current research.

(200-400 words)

The socio-economic, technological and spatial effects on new working spaces (both in peripheries and central areas) under pandemic, including the difficulties in accessing Internet.

The raise of remote workers (who are they?)

What spaces are mainly used for working and by whom? *We can reflect on the typology, business model, location. We might know if they are also students or unexpected categories of remote workers, in addition to the well-known sectors.*

What are the changes to new working spaces (e.g. current functions, new layouts, activities, events and services provided) under COVID-19?

Description available on Slack – channel 'ATLAS 2'

COST ACTIVITIES STSM - 1st call and final achievements

Short Term Scientific Mission -Experience from the first grant period

Photo: Andrea Piquadio Pixel

In the first grant period, our colleagues, Chiara Tagliaro and Irene Manzini Ceinar, have been the first two COST members (WG members) in Short Term Scientific Mission. In 2020, Chiara (from Politecnico di Milano) visited Cornell University (USA), while Irene from UCL (London) visited Politecnico di Milano. **The link to their video is available in the article**

— By Mina Di Marino

Video of their experience and scientific achievements is available at

<https://www.nmbu.no/en/projects/new-working-spaces/about/news/node/41693>

Thanks to Irene and Chiara for the great job!

Irene Manzini Ceinar from UCL is currently in STSM at Politecnico di Milano, Photo Petr Dubovský

Chiara Tagliaro from Polimi has recently finished the STSM at Cornell University, USA, Photo Petr Dubovský

4 candidates have been selected for the next STSM 2021 and announced on Slack.
Congrats to them!

Thanks to the STSM committee and the host universities for their work!

The screenshot shows a Slack interface. On the left is a sidebar with a list of channels: #podcast-documentary, #podcast-internal-communi..., #posts-approval, #stsm (highlighted in blue), #summerschools, #website, #wg_1_taxonomy, #wg_2_atlas, #wg_3_toolbox, and #wg4_dissemination. The main area shows a message from Eva Belvoncikova1 at 14:22. The message text is: "Dear all, STSM committee decided on successful candidates. There were 6 applicants to 4 Host universities and winners are: 1. Sinitsyna from Estonia going to NMBU, Norway 2. Danko from Czech Republic going to UEBA, Slovakia 3. Rafaj from Slovak Republic going to TBU, Czech Republic 4. Barzotto from the UK going to POLIMI, Italy Congratulations!". Below the text are reaction icons: a thumbs up (4), a neutral face (1), and a smiley face with a plus sign.

https://www.youtube.com/watch?v=l2NR5GKs4_E&fbclid=IwAR2kx9i5mjbhH0TOSMzhhbX51VxAVPA70R1Xz8ZQROR77JpKkc7_i7PxpilI

5th RGCS Symposium 'Collaborative practices, workspaces and communities in the wake of the Covid-19 crisis'

Dear All, we are happy to announce the call for paper for the 5th RGCS (Research Group Collaborative Spaces) symposium 'Collaborative practices, workspaces and communities in the wake of the Covid-19 crisis'. The symposium is in collaboration with our COST Action CA18214, and university and research partners. **30 September: deadline submission short abstract (400 words) via email rgcs.milan@gmail.com. Your abstracts are really welcome! More info inside the article and the call for paper is downloadable.**

Research Group on Collaborative Spaces and CA18214: 5th RGCS Symposium. 14-16 December 2020 ONLINE

Photo: Antonio Jamal Roberson Pixel picture

The program of the 5th RGCS Symposium is now available. The symposium is organized by RGCS group and CA18214 and other university and research partners. It will be held on line, **14-16 December 2020**. Several COST members are among the organizers, discussants and authors of the conference paper.

The detailed program is available in the article.

Working Group 1 Glossary and Taxonomy

Collection of the state of the art about new working spaces in Europe and outside. The following activities will be carried out: Task 1.1. Definition of the phenomenon; Task 1.2 Definition of the working spaces typologies; **Task 1.3 Geographical distribution and location patterns with a specific focus on peripheral areas**

The new tasks:

- **D.1.3. Database of structures/typologies of New Working Spaces**
- **D.1.4. Final report**

DISSEMINATION ACTIVITIES AND ACHIEVEMENTS 2020-2021

COST is supported by
by the EU Framework Programme Horizon 2020

Routledge –edited volume

Proposal for edited volume Routledge-RSA Regions & Cities Book Series – Regions, Cities and Covid-19
The COVID-19 pandemic and the Future of Working Spaces *APPROVED!*

Editors: Ilaria Mariotti, Pavel Bednář and Mina Di Marino

- 22 chapters and 56 COST members
- 2 rounds with the Editors –passed
- 1 round of the reviewers' comments (one reviewer asked for some revision before acceptance, one reviewer was against the publication).
- We revised the proposal and submitted it again (on October 26, 2020)
- 1 more round with the Editors-passed
- Approved by the Editorial board on November 16, 2020
- Contract signed on December 15, 2020
- The edited book will be published in 2021.

International Conference papers 2020

•Di Marino M., Akhavan M., Mariotti M., and Chavoshi S.H. *New Working Spaces in the age of digital transformation. Location factors and implications for planning in two cities of Oslo and Milan*. Abstract accepted for the 5th RGCS Virtual Symposium co-organized by CA18214 “Collaborative practices, workspaces and communities in the wake of the Covid-19 crisis”, December 14-15, 2020.

• Akhavan M., Tagliaro C., Zhou Y., and Hua Y. *A comparison of European and American coworking spaces. drivers, spatial characteristics and management structures*. Special session SO-40-New working spaces, local development and innovation, ERSA 2020 Spatial challenges for the New World, 25-26-27 august, 2020.

•Bednář P., Mariotti I, Rossi F., Danko L., and Manzini Ceinar I.. *The agglomeration of cultural and creative industries are coworking spaces co-locating*. Special session PS42-New working spaces, digital transformations and peripheral areas, ERSA 2020 Spatial challenges for the New World, 25-26-27 august, 2020.

•Akhavan M., Di Marino M., Mariotti I. and Chavoshi S. H. *Coworking Spaces in Milan and Oslo Typologies, Location Factors and Policy Tools*. Special session PS42-New working spaces, digital transformations and peripheral areas, ERSA 2020 Spatial challenges for the New World, 25-26-27 august, 2020.

The google sheet is currently revised by Bruno Moriset (WG4 leader) and will be available soon on Slack

SCIENTIFIC PUBLICATIONS BY COST MEMBERS

We are tracking the dissemination of our COST Action outcomes 2021 by registering periodically scientific publications (**joint paper at least 3 for open access publications**) (e.g. national and international scientific articles, conference proceedings, books and book chapters)

The google sheet is currently revised by Bruno Moriset (WG4 leader) and will be available soon on Slack

SUBMITTED/ACCEPTED PROJECTS FOLLOWING COST ACTION OBJECTIVES (2020)

We are tracking the submitted and accepted projects following Cost action objectives (2021) and thus collaborations amongst **participating COST members** to new research projects, or projects to which participating COST members can apply due to the current participation to the COST (see e.g. INTER-COST)

The google sheet is currently revised by Bruno Moriset (WG4 leader) and will be available soon on Slack

SUBMITTED AND ACCEPTED PROJECTS FOLLOWING COST ACTION OBJECTIVES (2020)

- LTC20047 Regional development and public policy under creative economy: Mapping, knowledge sharing and management of New Working Spaces in the Czech Republic. INTER-COST – INTER-EXCELLENCE. Ministry of Education, Youth and Sports of the Czech Republic. 5/2020-9/2023. Grant holder, Tomas Bata University in Zlín, Czech Republic
- ITN marie Curie-CORAL has been financed to Vasilis Advikos - main proposer (Panteion univ, Greece) and other partners, for Italy: Ilaria Mariotti (POLIMI), FR with Capdevila, etc. It is 3 years project starting on January 2021.

-

The google sheet is currently revised by Bruno Moriset (WG4 leader) and will be available soon on Slack

STAY TUNED – CONFERENCES 2021

Every COST members are encouraged to

- Submit a conference papers to upcoming conferences in 2021
- Organize special sessions and round tables
- Suggest conferences to participate in addition to the following ones:

Conference, event title	Host country*	City	Starting date*	Deadline for special session submission	Deadline for abstract submission	Deadline for abstract submission	Deadline for registration	Conference website			
60th ERSA Congress "Territorial Futures – Vision	IT	Bolzano	01.08.2021					https://ersa.org/events/60th-ersa-congress/			
Regional Innovation Policies Conference	CZ	Prague	18.08.2021					https://www.redy.aau.dk/regional-innovation-policies-conference			
57ème colloque de l'ASRDLF (Association de Scie	FR	Avignon	01.07.2021					https://asrdlf2020.org/			
2021 RSA Winter Conference "Regions in Transit	UK	London	11.11.2021					https://www.regionalstudies.org/events/2021-winter-conference			
AESOP 2022 Congress	EE	Tartu	01.07.2022								

The google sheet is currently revised by Bruno Moriset (WG4 leader) and will be available soon on Slack

DISSEMINATION AND INTERNAL AND EXTERNAL COMMUNICATION

Welcome to Omar Mohamed, the
new communication team member from the Netherlands, and many thanks for his work!

COST is supported by
by the EU Framework Programme Horizon 2020

Internal Communication

1. **Use of Slack.** The aim is to coordinate and communicate internal activities amongst 134 participants
costaction18214.slack.com –Please visit Slack at least weekly for any updates
 - Notification on your PC –and/ or

 - Booklet *template*
 - Envelops
 - Cover page of scientific books

External Communication strategies

- **Development of the Communication Plan:** What do we want to communicate? To whom we are communicating and why?
- **Channels for communicating the Action**

What do we want to communicate?

We are an interdisciplinary team of researchers from 33 countries who are expert on an emerging phenomenon of new working spaces (co-working spaces, maker spaces and other types of co-working) that deal with the labour market and causes impacts on workers, urban and regional development (socio-economic and spatial impacts) which involve all Europe (with different dynamics).

This phenomenon has not yet investigated when analyzing the impacts on the peripheries (socio-economic and spatial), impacts of policy and planning tools for the development of new working spaces. **This is one the major focus of our research.**

To whom we are communicating.

*Stakeholders can become **COST** partners –WG members*

FIRMS, the third sector and civil society organizations, which are directly involved and/or indirectly interested in the management and/or use of new workplaces, as the ones which are based in cities, regions or countries where the research network partners originate; and
REAL ESTATES

PUBLIC ADMINISTRATIONS, which are currently or potentially committed in fostering new working spaces and/or strengthening the development of peripheral areas, as city municipalities, metropolitan and/or regional institutions, and national governments of areas where the research network partners are placed;

LOCAL AND NATIONAL REPRESENTATIVES of trade unions, which are dealing with the ongoing radical changes in the labour market;

REPRESENTATIVES of European institutions and organisations of employers and employees are also principle-targeted audiences.

The main stakeholders of the *project* to include, starting from (but not restricting to) personal contacts of the Action members, are as follows

Channels for communicating the Action (off-line and on-line tools)

- European Union Website
- COST Action 18214 Website
- Facebook page and FB groups
- Webinars on FB
- Twitter page
- LinkedIn
- International and national conferences, seminars and workshops
- Newsletter via email
- Slack

- **Add CA18214 to your email signature**

Konseptet coworking, en form for kontordeling på stadig nye og kreative steder og måter, er en trend som også har startet i Norge. (Illustrasjonsfoto: Shutterstock/NTB)

Coworking kan gjøre bygda mer attraktiv

Coworking er mer enn kontorfellesskap og delt kontor. Nå er fenomenet på vei inn i norsk arbeidsliv.

Nanna Baldersheim

Webinars: Impacts of COVID-19 on new working spaces

■ COST members have organized 10 webinars from April to October 2020

1. Coworking, creatività e Covid. Come gestire spazi e comunità in tempi di crisi by Jasmine Deza, October 29, 2020 (Italian language)
2. Smart working and coworking, July 21, 2020, by Cecilia Manzo (Italian language)
3. Public libraries as co-working and maker spaces in Nordic countries, June 30, 2020, by Mina Di Marino (English language)
4. Working in post-COVID times: may local coworking be the future trend, June 25, 2020, by Irene Manzini Ceinar (English language)
5. Coworking and real estate in post pandemic times, June 10, 2020 by Chiara Tagliaro (English language)
6. Gender issues and parents in smart-working due to the Covid-19 pandemic, May 28, 2020, by Mina Akhavan (English language)
7. Remote working in the periphery and policy measures, May 20, 2020, by Ilaria Mariotti (Italian language)
8. Impact of Covid19 on the coworking spaces and new working spaces and the renewed role of peripheral areas, May 13, 2020, by Ilaria Mariotti (English language)
9. Impact of Covid 19 on policies and measures, May 2, 2020, by Carolina Pacchi
10. Coworking in emergenza Covid, April 25, 2020 by Ivana Pais (Italian language)

The next seminar on 'Regional Sovereignty from the point of view of new working and living conditions in peripheries' will be held on November 4 from 2.30 4 p.m. Please register at <https://www.eventbrite.com/.../regional-sovereignty-tickets-...>. The open seminar is organized by CA18214 and RGCS. It will be moderated by MC member Bastian Lange. The event will be live on our FB page <https://www.facebook.com/COSTActionCA18214NeW.Sp>

We discuss institutional and imagined assertions of sovereignty from a practice and regional geography point of view in peripheral regions (using the case from peripheral areas from Switzerland and Germany) - in the sense of a broader perspective of current policies for peripheral areas. We highlight the role of new working arrangements of work and collaborative governance between heterogeneous actors "on the ground" that can initiate placemaking processes. We approach the role of relevant tools and formats in which digital and social
