SPECIALITIES

Development studies[1] with focus on the political economy of food systems, food security, climate change, seed systems, innovations, forced migration, crisis and humanitarian actions.

EDUCATION

Doctor of Philosophy (Ph.D.) - University of Maryland, USA, May 1992.

Master of Science (M.Sc.) - Agricultural University of Norway (now Norwegian University of Life Sciences), December 1981 (five years combined Bachelor and Master program).

EMPLOYMENT RECORD

2014-present: Professor. Department of International Environment and Development Studies (Noragric). Faculty of Landscape and Social Sciences (LANDSAM). Norwegian University of Life Sciences (NMBU).
2008-2013: Deputy Vice Chancellor - Research, Norwegian University of Life Sciences (UMB). (Including 5 months as Acting Director of Research at UMB in 2008/09)
2005-2008: Head of Department and Professor. Department of International Environment and Development Studies (Noragric). Norwegian University of Life Sciences (UMB). (Both Noragric and the University changed names in 2005)
2001-2005: Director and Professor. Centre for International Environment and Development Studies - Noragric. Agricultural University of Norway.
1997-2001: Director of Research. Centre for International Environment and Development Studies (Noragric). Agricultural University of Norway.
1996-1997 Acting Director of Research. Centre for International Environment and Development Studies. Noragric. Agricultural University of Norway.
1995-1996: Associate Professor. Head of the Food security and Biodiversity Section. Centre for International Environment and Development Studies. Noragric. Agricultural University of Norway.
1993-1995: Project leader. Centre for International Environment and Development Studies (NORAGRIC). Agricultural University of Norway, Ås.
1991-92: NLVF fellow. (PhD candidate). NORAGRIC, Postbox 5002, Agricultural University of Norway, 1432 Ås. Writing PhD dissertation. Supervisor: Dr. S. W. Bie.
1990-92: Consultant (part time). World Bank: Environment Division, Africa Technical Department. Tasks: The soil fertility initiative (Uganda and Burkina Faso).

[1] Development studies in this context are defined as interdisciplinary and problem-oriented studies of processes of change with the ultimate aim of contributing to an expansion of people's capabilities, and, improvements in well-being, equity and sustainability.

1989-92: Ph.D.-Program in International Agricultural Extension and Community Development. Department of Agricultural and Extension Education (AEED). University of Maryland. College Park. Advisor: Prof. W.M. Rivera.
1987-88: Senior Executive Officer (1. konsulent). Ministry of Agriculture. (1.jordbrukskontor) P.O.Box 8007 Dep. 0030 Oslo. Norway.
1985-87: Extension and Training Advisor. Department of Agriculture, P.O.Box 410018, Kasama, Zambia. Two years NORAD-expert contract. The position involved working with the provincial extension and training officer on matters relating to agricultural extension and training of farmers at farmers training centers in the Northern province of Zambia.
1984-85: Desk Officer. Division of Agriculture and Rural Development. Norwegian Agency for International Development (NORAD), P.O.Box 8142 Dep. 0033 Oslo, Norway. Rural development projects in Kenya, Botswana and Sri Lanka.
1982-84: Executive Officer. Division of Extension, Education and Research. Ministry of Agriculture. P.O.Box 8007 Dep. 0030 Oslo. Norway.
1981: Research assistant (3 months). Misamfu Research Station, Kasama, Zambia.

TEACHING, SUPERVISION, Ph.D. COMMITTEES and REVIEWER

2020 PhD committee member, University of Bergen: Nina Bergan Holmelin
2020 PhD committee member, NMBU: Awais Arifeen
2020 Lecturing PhD course in International studies, NMBU
2020-pres: Main advisor PhD candidate Greta Juskaite, Global Development Studies, NMBU
2019-pres: Course responsible: Global food systems and food security (10 credits), Noragric, NMBU.
2019-pres: Guest lecture in Political Economy, Noragric, NMBU.
2018-pres: Main advisor PhD candidate in development studies: Girmanesh Abreha Desta, NMBU.
2017-2018: Course responsible: Introduction to Development Studies (EDS201).
2017-2018: Program responsible: *Master Program in International Development Studies*.
2017: PhD committee member (1.oponent). *Pastoral Vulnerability in Ethiopia. The Case of Afar. Alexander Vadala*. Faculty of Social Science. University of Oslo (UiO).
2017-pres: Co-advisor PhD candidate in development studies: Teshome Hunduma Mulesa. Seed Security in Ethiopia. Norwegian University of Life Sciences (NMBU).
2017: PhD committee member. Helene Lie. Norwegian University of Life Sciences.
2016-2017: PhD committee member. Yeshtila Wondemeneh Bekele. Norwegian University of Life Sciences.
2016: PhD committee member. Sigrid Nagoda. Norwegian University of Life Sciences.
2016-2019: Co-advisor PhD candidate in Development Studies Melisew Dejene, Hawassa University, Ethiopia.
2015-2018: Lecturer – Course in global food security (Noragric, NMBU).
2014-pres: Main advisor PhD candidate in development studies: Selam Ataklt Hailemichael, NMBU
2014: PhD committee member. *Conservation Agriculture Systems for Smallholder Farmers in Malawi: An analysis of agronomic and economic benefits and constraints to adoption.* PhD thesis by Amos Robert Ngwira. Norwegian University of Life Sciences.
2013: PhD committee member. Kashif Saeed Khan. Norwegian University of Life Sciences.
2012: PhD committee member. Bridget Bwalya Umar. Norwegian University of life Sciences.
2012-2017: Co-advisor PhD candidate in development economics: Arbogast Bernard Moshi, SUA, Tanzania.
2011: Invited lecturer. *Revisiting Scarcity: Drivers and dilemmas for future food policies*. PhD course: From Scarcity to Access and Rights: Changing Perspectives on Food Insecurity. University of Oslo. September 30th.
2010-2017: Main advisor PhD candidate in development studies: Jennifer J. West, UMB.
2010-pres: Journal article reviewer of four manuscripts: Forum for Development Studies (Routledge), Development in Practice, World Development and several other international development and environment journals.
2008-pres: Internal PhD programme oponent. Noragric start-up and mid-term seminars (Lars Kåre Grimsby, Nani Raut, Kashif S. Khan, Jason Miklian, Ansha Yesufe Nure, Devota Mwaseba; Helene Lie, Teshome Mulesa, Ida Arff Tarjem)
2007-2014: Lecturer: PhD course in Development Studies - Food policy and development. Noragric, Norwegian University of Life Sciences.
2007-pres: Lecturer: Global environmental change: How to feed the world in 2050? Noragric. Norwegian University of Life Sciences.
2007-pres: Lecturer: Introduction to Development Studies. Norwegian University of Life Sciences.
2004-2005. Lecturer. Conflict and migration in Sudan. MSc Programme in Development Studies – conflict specialisation, Noragric, Norwegian University of Life Sciences.
2004: Member of Ph.D examination committee, department of Social Sciences, NTNU, Trondheim

2003: Member of Ph.D examination committee, Department of Rural Development Studies, SLU, Uppsala, Sweden
2003 Member of Ph.D examination committee, Faculty of Social Sciences and Norwegian College of Fishery Science, University of Tromsø
2002-pres: Lecturing: Noragric/UMB M.Sc programme in Development Studies
2001: Member of Ph.D examination committee, Department of Physical Geography and Quaternary Geology, Stockholm University, Sweden
2001-2004: Lecturing (guest lecture) Different courses at the Agricultural University of Norway. World Food situation and food security at individual level (Animal Husbandry and Crop Science Department)
1998-2005: Lecturing: Noragric/UMB PhD course in Development Studies
1998-2000: Lecturing, in service training courses for teachers at secondary school level (faglig pedagogisk dag), Livelihood security and the role of food and agriculture
1997-2001: Responsible for developing the Ph.D. program at Noragric (in Development Studies with focus on sustainable agriculture, food security, natural resource management and community development). Lectures in Development Studies: a) *Evolution of development theory in the field of agriculture and livelihood security,* and b*) Methodological perspectives - an overview.*
1997: Responsible for a three credits Ph.D. level reading list course: Food Security: Rural Poverty, Hunger and Access to Food (1100 pages)
1996-2002: Advisor PhD candidate in Development Studies (Ingrid Nyborg, defended August 2002)
1993-pres: Advisor for several M.Sc. students in international environment and development studies (Adelaida Bituro, Emma T. Liwenga, Petro E. Masolwa, Thorbjørn Litlere, Alice Ennals, Mohammed Alhassan, Josephat Sianchapa, Joyce G. Kessy, Ida Kristin Norman, Davy Siame, Elijah Kaijjubi, Astrid Thesen Tveteraas, Nina Brattvoll, Amalie Hilde Tofte, Ingjerd Hestnes, Kaja Wilse, Tone Fosse, Progress Nyanga, Christina Høysæther, Michael Foster, Marcy Kemunto Nyachoti, Irene Moe, Catherine Tolentino, Eric Kimathi, Eric Mungai Ndungu; Jorunn Bakke, Astrid Fuglesang Stokke, Karen Helene Jørgensen, Laurel Nixon, Julie Aamodt, Oda Næss Leikvoll, Chiara Maria Magboo, Anna Schafer, Yerlith Viviana Gualdron Vasquez, Helene Berg Henriksen, Purity Wangechi Muchiri, Abigail Adjah, Henry Kofi Sarpong, Heba Lif Jonsdottir))
1994-1996: Annual guest lecturer (three weeks annually) at Sokoine Agricultural University in Tanzania (Short course in Management of Natural Resources and Sustainable Agriculture).
1993-1997: Lectures and course responsibility within the NLH/NORAD M.Sc.-program on Management of Natural Resources and Sustainable Agriculture (Tropical Production Systems and Research Methods)**.**
1993-1997: Lectures on NLH-courses in Sustainable Agriculture and in Tropical Agriculture
1993-1997: Lecturer (Natural resources, agriculture and farmers in Zambia) within the NORAD development assistance program (Bistandsskolen)
