SoDoC

Society of Doctoral Candidates at NMBU (SoDoC) is a free and nonpolitical interest organization for PhD students receiving doctoral education at the Norwegian University of Life Sciences.

By Redaksjonen

SoDoC was established on February 1st, 2016 when the Phd student organizations at Campus Ås, FODOS (founded Feb 26th, 2003), and at Campus Adamstua, DIOV, merged.

The purpose of SoDoC is to secure the interests of PhD candidates at NMBU. The organization handles issues of common interest to doctoral candidates as a group.

The Society primarily focuses on:

- Study conditions and professional interests
- Economic interests
- Social benefits
