

UNIVERSITY OF
EXETER

GLOBAL
OPPORTUNITIES

Why Exeter?

- Exeter is ranked 149th in the prestigious QS World University Rankings 2022
- A member of the Russell Group of research-intensive universities and at the forefront of global collaboration with over 300+ partnerships worldwide
- We can trace our roots back to 1855 and continue to deliver world-class teaching and research from exceptional locations in the South West of England
- More than 5000 students from 140 different countries contribute to our friendly, inclusive and supportive community
- We're consistently ranked in the top 5 in the British Universities and Colleges Sport (BUCS) rankings. We're proud of our reputation for sporting excellence
- The University of Exeter is ranked 13th on a global list of experts in "climatic processes". Our Green Futures campaign will drive action on the environment and climate emergency.

Streatham Campus, Exeter

Student Life

- Orientation programmes at the start of each semester help you to get to know the campus, the local area and other students
- Our Global Chums mentoring scheme helps new students settle in
- Online community dedicated to exchange and study abroad students
- Dedicated Study Abroad co-ordinator who will act as your academic and personal tutor and support you throughout your time at Exeter
- With over 300 societies and 50 sports clubs there are plenty of opportunities to get involved in university life
- Our student unions are led by students for students. Get involved in fundraising, volunteering and award-winning student media
- Credit and non-credit bearing English language support workshops and courses
- Our campuses offer a safe environment with 24 hour campus security.

Quay, Exeter

“The things I am enjoying most about my semester at the Penryn Campus are all the great people I’ve met and the laid back summer-like, friendly atmosphere that this campus exudes.

Oh and the volleyball, I’m about to embark on a weeklong trip to Majorca with the team!”

Paul, The University Of Western Australia

Falmouth Town Centre

“Exeter’s campus is large and diverse enough that anyone can easily find their ‘circle’ and find something to do that they enjoy. I found students to be friendly and welcoming to international students of all backgrounds.”

The Campus Experience

Streatham and St Luke's Campuses in Exeter

Forum, Streatham Campus

North Cloisters, St Luke's Campus

Experience

- Streatham campus is a registered botanic garden with The Times describing it as the 'best-gardened campus in Britain'
- It has benefited from a £380 million investment in student facilities, including a refurbished library, Sports Park and technology rich learning spaces
- Home to one of the UK's top Sport and Health Sciences departments, students have studied at St Luke's for over 160 years and the campus has retained its vibrant, collegiate atmosphere and sense of history
- St Luke's boasts excellent sport facilities including a sports hall, an air-conditioned health and fitness studio and an indoor heated swimming pool
- Set in the heart of the beautiful Devon countryside, Exeter is a lively, student-friendly city with a thriving arts and music scene
- Cafés, restaurants, pubs and shops sit alongside Exeter's historic buildings such as the 14th century cathedral and Roman walls
- Exquisite coastline and impressive national parks are only a short drive, cycle, bus or train journey away.

The Campus Experience

Penryn Campus in Cornwall

The Heart Building, Penryn Campus

Experience

- Made up of over 5000 students, this friendly and unique campus is shared with Falmouth University, one of the UK's leading Arts universities. This creates a vibrant mix of students with a diverse range of interests and backgrounds
- A great student to teacher ratio lets you communicate directly with research leaders
- Over £175 million investment in the past 10 years including a new sports hall
- £30 million Environment and Sustainability Institute (ESI) leads cutting-edge investigations to seek innovative solutions to problems of environmental change
- One of the oldest market towns of Cornwall, Penryn is a historic, picturesque port with a growing artistic and student community
- A centre for sailing, so you'll find boatyards and chandlers, as well as some wonderful galleries, cafes, bars and shops to enjoy
- The nearby town of Falmouth is voted one of the best places to live in the UK, with its independent shops, cafes and restaurants, arts scene and an extensive programme of festivals
- Falmouth's seven beaches, beautiful rivers and the world-famous marina make it a haven for those who love sand, sailing and surf.

What entry requirements do I need to meet?

To be eligible to study at the University of Exeter as an exchange/study abroad student you must:

- Have the approval of your home university
- Have successfully completed one academic year of undergraduate study
- Have the equivalent of a minimum Grade Point Average of 3.0 where the maximum is 4.0
- Meet the University of Exeter's minimum English language requirements (where applicable) as outlined on the University's website

Application deadlines

- Semester one and full year: 31 May
- Semester two all: 31 October

Application documents and how to apply

Your application should be completed online and submitted with the following supporting documents:

- Official academic transcript from your home university
- Academic Reference (if you're not from a partner university)
- Evidence of English language proficiency (where applicable)
- Copy of the ID information page of your passport
- Exeter study plan

Pre-arrival and orientation

The prospect of living and studying in another country can seem daunting but together with our colleagues in the International Student Support team we will provide you with all the information and advice you need to prepare yourself.
